

How to introduce Slido to your audience?

At this event, we want to make sure we address your most burning questions. Therefore, we'll be using a simple audience interaction platform called **Slido**.

Slido allows you to **submit your questions** as well as **upvote the questions** of other participants. Questions with the highest number of votes will stand a better chance to get answered by speakers.

Throughout the event, you will also be able to express your opinion by voting on **live polls**.

It's really easy to join.

1. Please take out your **smartphones** and **connect to the WiFi** (or use mobile data).
